COW BROKER IS GIVEN 8 YEARS

Kane County Man Bought Diseased Animals and Sold Them as Thoroughbreds.

Chicago, Jan. 23.—James Dorsey, the "millionaire cow king" of Kane county, Illinois, must spend eight years in the federal prison at Leavenworth, Kan., and pay a fine of \$3,000, according to a judgment yesterday of the United States circuit court of appeals.

Judges Baker, Mack and Evans, after hearing arguments, denied Dorsey's appeal without leaving the bench. They adopted the unusual procedure of not giving a written opinion after Assistant United States Attorney Benjamin P. Epstein had finished his argument for the government.

Dorsey was convicted in Federal Judge Landis' court and on Jan. 21, 1918, was sentenced. He was accused of having flooded the country with tubercular cows, using the mails to defraud in advertising that they were high grade, blue-blooded Holsteins.

Evidence showed he not only purchased tubercular cows throughout the state but obtained them from the Union stockyards, shipping them to his 500-acre farm in Kane county, where they were clipped, their horns and hooves polished, and then sold as blue bloods at fancy prices.

Many of the animals, it was charged, died on their way to purchasers. He is said to have averaged selling 12,000 head a year and his profits in one year were \$200,000.

GERMANS TO VOTE FIRST NATIONAL ASSEMBLY JAN. 19

Berlin.—(Correspondence of the Associated Press).—Forty million voters, men and women, must be registered for the election of a national assembly in Germany on Jan. 19 next, it is estimated by Prof. Hugo Preuss, minister of the interior. In the last reichstag election the voters, all male, numbered only 14,000,000, he says. They were scattered over 357 election districts. The new election bill provides for only 28 such districts for the whole country which, Prof. Preuss adds, means more than a million voters in each district.

Prof. Preuss is one of the few prominent leaders of the progressive bourgeoisie who was given an important post in the provisional government. In an interview with a correspondent of the Associated Press he pointed out the technical difficulties in the way of organizing 40,000,000 voters in time for the election and added:

"The constituent assembly," he said "should be thoroughly representative and its mandate above suspicion. We therefore are proceeding with great caution. The new suffrage franchise which will be tried out at the coming election is based on a direct, equal, secret ballot for all males and females of 20 years and over. We are now engaged in issuing writs for the election for which fully 40,000,000 men and women will qualify.

"One of the principal details of the radical reconstruction of our voting system is the original compilation of a list of the qualified women voters. Then the work of cataloging the millions of returning soldiers that are taking up new residences is also contributing heavily to the task of organizing the election.

COUGHED NIGHT AND DAY FOR TWO YEARS

Mr. Parkhurst Tells How He Found Quick Relief from Chronic Bronchial Trouble.

"Two years ago I had an attack of la grippe which left me with a bad cough. Finally this developed into a case of chronic bronchial asthma, and four doctors told me it could not be cured. I commenced taking everything my friends recommended, but I got worse instead of better. For two years I was unable to do any work except to cough constantly night and day, which was the hardest work I ever did.

"Finally I got hold of Mils Emulsion. It benefited me so much, right from the start, that it came as a God-send. In two months I was entirely cured. I gained in health, strength and flesh rapidly."—J. M. Parkhurst, Leon St., W. Terre Haute, Ind.

"Coughs like the one above described seldom yield to local treatment. The surest way to reach them is to build up and strengthen the whole system. For any obstinate cough, Mils Emulsion is a remarkable remedy.

Mils Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Mils Emulsion is strongly recommended to run-down, nervous people, and it has produced amazing results in many cases of asthma, chronic bronchitis, and tuberculosis of the lungs. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. A truly wonderful medicine for weak, sickly children.

No matter how severe your case, you are urged to try Mils Emulsion under this guarantee—Take six bottles home with you, use it according to directions, and if not satisfied with the results, your money will be promptly refunded. Each bottle and \$1.25 per bottle. The Mils Emulsion Co., Terre Haute, Ind. Sold and guaranteed by all leading druggists.
